NATIONAL MERIT SEMIFINALISTS

The National Merit Scholarship Corporation (NMSC ©) has announced the names of over 16,000 high-achieving students recognized as 2027 National Merit Semifinalists. These students have demonstrated exceptional academic promise, and CCHS proudly congratulates two seniors, **Jake Henderson** and **David Holloway**, for receiving this distinction.

Being selected as a National Merit Semifinalist is a prestigious honor that places these scholars among the top one percent of high school seniors nationwide, earned through outstanding performance on their junior year PSAT/NMSQT. Beyond national recognition for their academic excellence, this milestone opens up significant scholarship opportunities.

EARLY DISMISSAL POLICY REFRESHER

As the school year continues, there seems to be more requests for student early dismissals. Please review the policy listed below that was copied from the Parent-Student Handbook. Additionally, please remember to use absent@cchs.us to report an absence or to request an early dismissal. If you have any questions, please contact Mrs. Debbi Joseph at joseph.debbi@cchs.us.

If a student is dismissed from school for any reason prior to normal school dismissal time, his/her parent or guardian must notify the school office by phone call, email (preferably by email to absent@cchs.us), or written note informing the school of the time of the dismissal. The school will not accept text messages from parents on a student's phone as an acceptable notification of permission to be released from school prior to dismissal. The student must come to the front office desk to sign out during this time. If a student must leave school for an appointment, the student must leave between classes. The office will only notify students of an early dismissal before a class period begins or at the end of a class period (even if the parent comes to the school and requests an immediate dismissal). It is not necessary for the parent to enter the school building to pick-up their child. The student must check out with the front office and may proceed to meet his/her parent at the designated drop off/pick up location.

- Appointments that require a student to leave early should be communicated to the school office (absent@cchs.us) as much in advance as possible.
- There should be a legitimate reason for an early dismissal.
- Students MUST sign out listing both the time of departure and recording a specific and approved reason for leaving campus.
- When a student is dismissed from school for an early dismissal, he/she **may not** return to school (or participate in after-school activities such as athletics, fine arts, club meetings, field trips etc.) on the same day **unless** he/she provides a doctor's excuse documenting the visit during the time away from school.
- If a student misses an assessment due to an early dismissal, the student will be required to take the assessment upon return during a study free period or during office hours / detention.
