

RenWeb – ParentsWeb

Our **RenWeb School Management Software** gives you, the busy parent, an opportunity to get more involved in your child's academic progress and future success – all via the Internet!

RenWeb ParentsWeb is a private and secure website that has been set up for our school to allow you to see complete information specific to your child. You can view your child's grades, attendance, homework and conduct, as well as other useful school information. You can also communicate with teachers and other school staff online whenever necessary. All you need is an Internet-capable computer.

Here's how to access our easy-to-use RenWeb ParentsWeb:

- Go to Internet Explorer and type in the address <https://www.renweb.com/rwlogin/ParentsWeb-Login.aspx?District=cchs-fl>

1. Click "Create New ParentsWeb Account"
2. Type your Email address where directed (must match the email address provided to the school)
3. After receiving your password, return to <https://www.renweb.com/rwlogin/ParentsWeb-Login.aspx?District=cchs-fl> again. Then click Parent Login. You may change your password once you are logged in...look for link on the left.
4. Should you need the school's ID, it is CCHS-FL
5. **Students and Parents should maintain separate accounts.** Students follow the procedure above except click "New Student Login" under step 2.

- To access grades, click "Classrooms." This will bring up all classes in which your child is enrolled at the school.
- Click on "Homework Summary" or "Gradebook Summary" at the top of the column for each child.
- You can access other school information regarding your child on this site, as well as email the teachers directly!

If you do not get an email response, or an error message, email Mrs. Peabody (peabody.cindy@cchs.us), and she will enter your email address into the system. Please provide your first and last name along with the email address you are using.

We look forward to your participation. Together, we can continue to improve our children's academic development as well as communication at school and at home.
