

CALVARY CHRISTIAN HIGH SCHOOL CLASS OF 2014 CCHS IS A MINISTRY OF CALVARY BAPTIST CHURCH

# Thank you for attending the twelfth annual commencement exercises for Calvary Christian High School.

We are thankful for you giving your time to support and encouraged the members of the Class of 2014. This group of students has achieved at a high level. The students have contributed 12,149 hours of community service. They have earned 370 college credits, and they have taken 104 advanced placement classes. The class' average grade point average is 3.62.

We are thankful for the parents who have given us the opportunity to partner with them to provide their child "a challenging college preparatory Christian education that equips students to live successfully according to God's plan for their lives." Calvary has been blessed with an outstanding and dedicated faculty who has been instrumental in teaching and training these students in preparation for the next step in "God's plan for their lives." We believe our balanced approach in our educational philosophy has prepared the students for the next step. You will notice that the students have had advanced academic opportunities which included honors, dual credit, and advanced placement classes. Their exposure in the arts has enabled them to develop their talents, gifts, and abilities in ways that have the potential to influence their community for the rest of their lives. In athletics, these students have learned lessons that will enable them to be leaders in all aspects of life. Most importantly, we pray their foundation for life has been stabilized by our emphasis on a Christian worldview. A biblical worldview is foundational to our mission, which is fulfilled through students acquiring biblical truth, applying biblical truth, and attaining their highest level of academic achievement. May God bless the Class of 2014! We look forward to hearing the great things He accomplishes in and through their lives. May He receive all the glory and honor.

Congratulations, Class of 2014!

David Kilgore
