# WALK FOR LIFE

Our annual Walk for Life fundraiser has begun! This fundraiser exists to support the ongoing ministry of New Life Solutions in the Tampa Bay Area. To learn more about the WFL and the ministry of NLS please follow [this link](#) to their website. The mission of NLS is to “Protect the Unborn, Share the Gospel, and Transform our Communities, One Life at a Time.” New Life Solutions offers services that center around every unborn child, every expectant mother and/or father scared or not knowing what to do, and every mother and/or father who carries abortion as part of their past. This is what makes New Life Solutions different and worth supporting; therefore, CCHS has a huge goal of raising \$35,000 this year.

Use [this link](#) to create your account in order to raise funds and make sure to check your email to find further details and instructions about how to begin this process.

# **SUMMIT DISCOUNT** FOR CCHS STUDENTS

Summit is offering an exclusive discount to the students at CCHS who are interested in attending one of their Georgia sessions. This discount will cover their entire tuition, minus the \$200 deposit. After your deposit is paid, Summit will cover the remaining tuition on your account. This opportunity, only available to new applications, is on a first come first serve basis. So, hurry because funds are limited. This discount is applied by Tim Bettelli specifically for each student, so if this is something you or your students are interested in, please contact Tim (tim.bettelli@summit.org) ASAP.

Summit is for any student but especially those who want to grow in their Christian worldview understanding (think spiritual college prep) OR for those who have doubts and struggles. They have a very gentle but truth-filled approach and intentionally invite those with doubts to these sessions. It is equal parts discipleship and worldview/apologetics training.

*Parents are responsible for transportation and submitting all of the information. This is not a school-sponsored event. It is an offer extended to CCHS students. If anyone is interested in attending, they must contact Tim Bettelli at Summit directly.*
