CCHS STUDENTS EXCEL IN ADVANCED PLACEMENT (AP) TESTING

CCHS has a long history of excellent AP scores and 2023 is no exception! With 270 students taking 423 exams in 16 different subjects, 13 subjects had at least an 80% pass rate with 6 subjects at more than 90% passing. An amazing 4 subjects had a 100% pass rate – 3D Art, Calculus BC, English Literature and Spanish Language! Overall, 88% of our AP courses/students far surpassed the global pass rate posted by CollegeBoard. In addition to our Athletic and Fine Art victories, CCHS Warriors are winners academically! Congratulations to all our AP students and teachers!

GOLD TOGETHER EMPHASIS

CCHS has designated the games listed below as **Gold Together Nights**. September is Childhood Cancer Awareness Month, a time to honor and remember children and families affected by these rare diseases, and help rally support to give kids with cancer better outcomes by supporting research. For the past seven years, CCHS has partnered with the #GoldTogether initiative—a program to support families facing a diagnosis and to raise funds to end childhood cancer. The initiative was started by Cole Eicher, a CCHS graduate in the Class of 2020.

Fans attending the games are asked to wear #GoldTogether T-shirts, or gold colored apparel to show support for childhood cancer research. The #GoldTogether initiative will be selling #GoldTogether T-shirts with the Calvary logo imprinted on the shirts at the games. Students may wear the #GoldTogether T-shirts to school on Fridays. Plan now to attend a game, purchase a T-shirt, and/or make a donation to the #GoldTogether initiative.
