TOYS FOR TOTS YOUTH AMBASSADOR PROGRAM

Three years ago, The Marine Toys for Tots Foundation initiated a Youth Ambassador Program. The program was created because they observed numerous occasions of "children helping other children." It was apparent that the members of our newest generation were committed to serving the community and helping those in need. This year, due to an overwhelming response of applicants, the Toys for Tots foundation selected 13 Youth Ambassadors for region #3. This region includes MS, LA, GA, and FL. We are excited to announce that three of the 13 Youth Ambassadors were selected from Calvary Christian High School!

Anna Maria Alonso (2nd year), Maddie Stackow and Tatiana Santilli were chosen as a select group of our Nation's youth to serve as representatives and stewards of Toys for Tots. Youth Ambassadors help to raise peer-group awareness, encourage support and to enhance community outreach. Anna Maria, Maddie and Tatiana received this honor based on their applications and past service with the Toys for Tots community outreach events.

They will be serving for a year under the mentorship of Dan Jensen, former CCHS family and Toys for Tot Volunteer Coordinator for Pinellas County. Known for his patient and kind spirit, he will be supporting the Christian character of servanthood and sharing by example the skills of leadership and community relations. Each December, many CCHS students volunteer to sort, package and/or distribute toys to the thousands of families in need in our community. You can be sure Anna Maria, Maddie and Tatiana will be on-site giving their best efforts and interest in helping the community and exemplifying the ideal of "children helping children." There will be an opportunity for all CCHS students and families to participate in this annual event. Be on the lookout for an email in November from Mrs. Doucette.

Prices for the dedications are as follows:

Full Page: \$385

Half Page: \$250

Quarter Page: \$150

In order to reserve your dedication, please click [here](#) or visit the link directly on the school website and complete your order with full payment by **Monday, October 16, 2023**. Space is reserved on a first-come, first-served basis. Because of the limited space, please submit your ad designs and payments as soon as possible. Our yearbook operates on tight deadlines and requires detailed planning, so late fees will be applied when deadlines are missed. A fee of \$75 will apply to reservations submitted after October 16. After November 2, the fee will be raised to \$100, and no orders will be accepted after Friday, November 17. Both ad design and payment are due at the time of order.

Thank you for your support of the Kranion. We are a student-operated publication and you may be communicating with students throughout this process. Please note- the students' academic responsibilities may interfere with immediate responses to your yearbook questions. We appreciate your understanding and patience. We look forward to serving you!
