## 2023 THANKSGIVING/CHRISTMAS PROJECT CHALLENGE

Each year, Calvary Christian High School partners with a local ministry and challenges the student body to give a gift during the Thanksgiving and Christmas holidays to support the outreach in our community. This year, CCHS has chosen to partner with Faith Action Ministry Alliance, otherwise known as FAMA. FAMA is a non-profit organization that is the backbone for the 20 plus organizations that comprise it. One specific organization that FAMA supports is **Grant Park Christian Academy**. Grant Park is an inner city school in East Tampa with an enrollment of 91 students in grades Pre-K 4-8th grade. The mission of the school is to connect children and families to Christ through Christian education. Their vision for children in the Grant Park community is to develop lifelong Christian character traits making the students strong enough to withstand life's challenges as they embark on their high school years and beyond. Recently, some of CCHS' Student Government officers visited Grant Park Christian Academy. The students saw a great need for children less fortunate and a school without many educational resources. The officers are ready to challenge their classmates to give to make a difference in this community and the lives of the students. The needs for the students include clothing, school supplies, and hygiene products. The school has dedicated employees who love their students, but the school operates with minimal resources for instructional support. The SGA officers desire for CCHS students to give a donation to help meet these needs, as well as to provide a Christmas present for each student in the school. The 2023 Thanksgiving/Christmas Challenge is for each CCHS student to donate \$20 to this worthwhile cause. We believe this is a very manageable donation amount for each CCHS student. If everyone participates, we can make an impact to help Grant Park Christian Academy fulfill their mission and vision for the children in their community who attend their school. Let's show the Warrior school spirit and reach this goal. Select the link below to make a donation online. You may also send a check to the school office made payable to CCHS. Be sure to write in the Memo line the donation is for the 2023 Thanksgiving/Christmas Project.
