SAVE A LIFE...

BEDS & BRICKS

Help us build a maternity
home in a South Asian nation.

UPDATE: Save a Life: Beds and Bricks Campaign Ends

CCHS Head of School, Mr. Kilgore, expresses his sincere appreciation to Mr. & Mrs. Segraves (Chad and Leslie) and the Warriors for Life Club for leading the school through the Save a Life: Beds and Bricks Campaign. During the 8-week emphasis, CCHS students were informed and taught about the value of all lives because they are created in the image of God. The campaign emphasized the need for "Warriors" to defend all lives, including the preborn lives, to make a difference in our world that has devalued life to the point of selectively murdering the unborn.

Students were challenged to raise \$10,000 to help build the first maternity home in Bangladesh. We did not reach the goal, but donations were received in the amount of \$7,492 that will be given to the project to enable CCHS to have a small part in making a difference to save lives in a country that currently does not have a maternity home.

Additionally, students were challenged to write a poem and to submit artwork that would be chosen to be placed in the maternity home as an encouragement to the mothers living there while waiting for the birth of their child. Congratulations to Sarah Henderson, 9th grade, for having her poem chosen as the winning entry, and congratulations to Lilly Zajac, 9th grade, for having her artwork chosen as the winning entry.

At Friday's assembly, a video was shown to illustrate the importance of fighting for the preborn lives. Please select the link below to view the video.

Protecting God's Creation

By: Sarah Henderson

Tiny hands too small to grasp the importance of life
Life too big to not fight for
Yelling out for a response
An answer
A voice
Our voice
Protecting them
Giving them a chance to one day fight for someone else
One day or one year
Still made in the image of God
Formed together with his hands
Molded and shaped to resemble someone with a purpose
A purpose to go out and spread the light to others
But it starts with speaking up
Using our voice for the voiceless
Helping the helpless
And restoring God's creation

Mr. Brandon Martell has Fourth Composition Published

In addition to being the Choral Director at Calvary, Mr. Brandon Martell began a career as a professional composer and arranger of choral music in 2019. He currently has three published works with Excelcia Music Publishing – a company that specializes in repertoire appropriate for elementary, middle, and high school choirs. In 2023, Mr. Martell composed a new piece, entitled “Lighted Ever Onward (The Lamp of Life),” which is a setting of a poem by the Imagist Poet, Amy Lowell. The world premiere of the piece was performed by Braden River High School’s top choral ensemble, “River Rhapsody,” and the recording and sheet music were sent for review to Galaxy Music Corporation, a company whose body of work includes choral music for more advanced ensembles, such as collegiate and professional choirs. A few weeks ago, Mr. Martell received an email from Dr. Kenney Potter, Vice President of Publications at Galaxy Music, that “Lighted Ever Onward (The Lamp of Life)” has been accepted for publication in their November 2024 catalogue. You may learn more about Mr. Martell’s arrangement and view the world premiere performance using the links below:

ASL 4-Honors Students Visit Cross Bayou Elementary School

CCHS’ American Sign Language 4-Honors (ASL-4H) students visited Cross Bayou Elementary School on Friday, April 12th. The purpose of the field trip was to give the ASL students an opportunity to interact with the deaf students at Cross Bayou. The ASL-4H students “showcased” their story telling skills in American Sign Language by engaging the deaf students with interactive learning activities. Mrs. Janessa Jannarone, CCHS ASL-4H teacher, said the visit was heartwarming as she witnessed the CCHS students wholeheartedly immerse themselves in the deaf culture as they interacted with the deaf students at Cross Bayou. By communicating with the students in ASL and through the activities, CCHS students were able to demonstrate the love of Jesus to their deaf peers. The field trip was also encouraging for our ASL students as they experienced the reward of dedicating themselves to four years of learning a language that enabled them to have meaningful conversations and make connections with the deaf community.
