Registering for ACT and SAT

CCHS recommends that students begin taking the SAT/ACT after the student has completed Algebra 1, Geometry, and at least one semester of Algebra 2. Most students begin taking the SAT/ACT at the end of Sophomore year or early into Junior year. It is a CCHS graduation requirement to have at least one ACT or SAT test score on file by the first day of senior year. Below are resources regarding ACT/SAT. You can email your primary college counselor with any questions that you may have.
