

Calvary Christian High School Senior, Ava Johnson, Publishes her 6th Children's Book: "The Magic of Marching Band"

Calvary Christian High School is proud to celebrate the remarkable achievement of senior, Ava Johnson, who has recently published her sixth children's book, titled "The Magic of Marching Band." Drawing inspiration from her own experiences in the Calvary Marching Band, Ava aims to share the joys and valuable lessons that come with participating in a vibrant marching band program.

Ava's journey into the world of children's literature began in 2020 with her debut book, "Am I a Princess?" Fueled by her passion for nurturing and inspiring young leaders while promoting self-confidence, Ava has since dedicated herself to creating meaningful stories for children.

In "The Magic of Marching Band," Ava brings to life the musical curiosity, diligence, and leadership that she has discovered through her involvement in Calvary's Marching Band. The book is not only a delightful read for young minds but also includes mini-lessons on musical vocabulary, adding an educational touch to the meaningful narrative.

This summer, after participating in Calvary's Marching Band camps, Ava found herself inspired to extend the magic of her marching band experiences to children beyond the CCHS community. Her book becomes a medium through which she shares the transformative power in God's gift of music and the valuable lessons learned through teamwork and dedication.

Ava's commitment to inspiring the next generation goes beyond the pages of her books. Recently, she was invited to Midtown Center Academy to speak to an elementary class during the Great American Teach-In, offering insights into her book and the world of fine arts.

As a dedicated student leader at CCHS, Ava not only excels academically but is actively involved in numerous extracurricular activities, clubs, and leadership roles including being the Drum Major of the Warrior Marching Band. Calvary Christian High School takes immense pride in Ava's investment in the community and her positive impact on the next generation. God has truly blessed Ava with many gifts, and she is eager to share them with others.
