## Science National Honor Society Raising Funds for Pediatric Cancer Awareness

September is Childhood Cancer Awareness Month, a time to honor and remember children and families affected by these rare diseases, and help rally support to give kids with cancer better outcomes by supporting research. Calvary's Science National Honor Society has joined **Gold Together** to bring awareness and encourage students and families to support the cause. One of the ways students and families are encouraged to get involved is by purchasing a **Gold Together shirt**. The shirt includes the CCHS logo to demonstrate our partnership with the organization. Short sleeve shirts are \$20 each, and long sleeve shirts are \$25 each. All of the proceeds from the sale of the shirts benefit Gold Together childhood cancer research with American Cancer Society. Shirts will be available to purchase on Friday, August 23rd during both lunch periods, and at the HOME games listed below. CCHS has designated the following HOME games as **Go Gold Nights** to help bring awareness to this cause. Students and fans are encouraged to wear their Gold Together shirts to the games, or purchase one at a game to wear.
