## Penny Wars Extended through Thursday, February 13th *Raise Money for Walk for Life*

On Saturday, May 9th, CCHS will support the Walk for Life event sponsored by New Life Solutions. Students will be challenged to join the walk and support this organization's ministry to mothers with unplanned pregnancies. The student leadership council is sponsoring a "Penny Wars" class competition to raise funds for the Walk for Life event. The competition was tight, so the event is extended through Thursday, February 13th. Students are asked to bring coins of any denomination to generate positive points for the class. Students may donate bills to the cause, but should donate the bills to another class because bills count as negative points. In the end, all of the money received (coins and bills) will be donated to New Life Solutions at the Walk for Life event on May 9th. Join your classmates for a friendly competition and raise funds for a worthwhile cause. The class with the most points will receive a **FREE** Dress-Down Day. ## CCHS Students Donate \$5,000 to Gold Together Initiative

This past fall, CCHS' Science National Honor Society sponsored several Go Gold Nights at fall sports events to raise funds and awareness for the #GoldTogether Initiative dedicated to supporting the American Cancer Society. The #GoldTogether Initiative is led by CCHS senior, Cole Eicher. In November, students in CCHS' Science National Honor Society had the privilege to present a \$5,000 check during the St. Pete Run Fest GOLD ribbon cutting ceremony. The donation, raised by CCHS students and families, was dedicated to childhood cancer research with the American Cancer Society. Additionally, over 50 CCHS students earned community service hours by volunteering to support the St. Pete Run Fest #GoldTogether event.

CCHS is featured in a video produced by the #GoldTogether Initiative to challenge and encourage other high schools to get involved and support pediatric cancer research. Select the link below to see highlights from the events at CCHS and others in the community. We are proud to partner with #GoldTogether and the American Cancer Society

## Sometimes the Highlight of Competition Isn't 1st Place

The Warrior Competitive Cheer Team competed in the FHSAA State Championship on February 1st. The team had a zero-deduction performance, but ended in 2nd place with the state runner-up trophy. With such a great performance, the team was disappointed to not earn the 1st place trophy, but for Head Coach, Jill Martin, the highlight of the competition was more than a 1st place trophy because of the character and testimony displayed by the team toward Bloomingdale HS.

Bloomingdale High School competed and performed their routine just before Calvary. Unfortunately, one of Bloomingdale's cheerleaders fell to the ground during their routine holding her knee screaming in pain. The music stopped and the team was led backstage while trainers tended to the injured cheerleader. Coach Martin noticed the Bloomingdale team upset and discouraged, so she and assistant coaches, Terri Abasial and Cassidy Bullino, went over to the team and prayed with them for the injured teammate. Bloomingdale was given another opportunity to perform their routine; however, this time with one less cheerleader. As Bloomingdale took the stage, they looked down front and saw the Warrior cheerleaders and some of the Warrior students/fans cheering for them as they performed their routine. When the performance ended, several Bloomingdale moms were in tears as they thanked the Warriors for their support. One of the Bloomingdale parents posted the following on social media.

*At States today with Bloomindale HS. One of our cheerleaders was injured and had to be carried off the mat. The balance of the team had to return and perform the routine again. One of our competitors, Calvary Christian, came as a team to sit in the stands, on the floor, and cheer our girls on! Wow! That was fantastic. We appreciate your sportsmanship and leadership.*

Thank you Warrior Cheerleaders for your testimony!
