Biblical Worldview Scholarship Recipients for 2020

In 2014, CCHS was blessed to receive a donation for the establishment of the Biblical Worldview Scholarship funded through the National Christian Foundation. The scholarship was established to assist students graduating from CCHS with a tuition scholarship for the students to attend a Christian college where their philosophy of life will be further grounded in a Biblical worldview. We are excited to announce the 2020 recipients of the Biblical Worldview Scholarship—a scholarship only available to Calvary Christian High School students. The recipients will receive a \$10,000 scholarship for their freshman year with the scholarship available to continue for an additional three years for a total scholarship of \$40,000. Join us in congratulating **Ashleigh Russo and Andrew O’Harrow**.

Ashleigh plans to attend Southeastern University to prepare for Children’s Ministry.

Andrew O’Harrow

Andrew attended CCHS for all four years of high school and he has been active in our fine arts department. Andrew has been a member of the Calvary Choir and Warrior Voices. He also took fine arts classes in Guitar, Music Theory, and Musical Theater.
