Mission Statement

The mission of Calvary Christian High School is to

Partner with the Christian home and the church to provide a challenging **college preparatory Christian education** that equips students to *live successfully* according to

God's plan for their lives.

A biblical worldview is foundational to our mission, which is fulfilled through students **acquiring** biblical truth, **applying** biblical truth, and **attaining** their highest level of academic achievement.

Class Verse

Therefore, since we are *surrounded* by a great cloud of witnesses, let us throw off everything that hinders and the sin that so easily entangles. And let us run with *perseverance* the race marked out for us, fixing our eyes on *Jesus*, the pioneer and perfecter of *faith*. For the joy set before Him He *endured* the cross, scorning its shame, and sat down at the right hand of *God*.

-Hebrews 12:1-2 (NIV)

Congratulations from Mr. Kilgore

Dear Graduating Class of 2018:

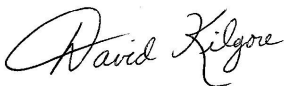

High school graduation is a pivotal event in your life. You are transitioning to greater independence and greater responsibility. It is my hope and prayer that you seek the Lord as you make this transition.

I trust that your time at Calvary has prepared you academically and spiritually to confidently take on the challenges of college and life as a young adult. It is our desire that you continue to follow Jesus Christ as you leave Calvary.

You may leave, but you are not gone! Alumni are welcome at Calvary! We hope to see you at games, plays, and special events. Use your Alumni Medal as your admission ticket to regular season games!

My prayer is that the Lord will bless you and keep you, make his face shine upon you, be gracious unto you, and give you His peace. I am so proud of each and every one of you!

Sincerely,

Five Years from now... I have graduated from college including studying abroad. I would love to be pursuing my master's degree in ASL/Deaf Education at the University of Tennessee. My ultimate dream would be to come back to CCHS as an American Sign Language teacher and help coach in our volleyball program. I also plan to continue to travel and see the world.

Thank You! I have been blessed with so many people who have loved and supported me throughout my entire life. I feel like I would not be standing here today, graduating from high school, without the unconditional love, support and sacrifice from my incredible Mother and Father. My mother for staying in Florida so I could graduate from CCHS while my dad took a job in North Carolina. As my number one fans, my parents have always been by my side and have never stopped believing in me. I love them with my whole heart and they will always be the wind beneath my wings. I came to Calvary as a Junior and before I stepped foot in a classroom I had to try out for the volleyball team. Coach Caleb Sibert took a chance with me and gave me a spot on the team. He was a tough coach that pushed me hard but if it weren't for him I would not be the athlete and person I am today. He taught me to never ever give up and two years of hard work with him earned me a spot on Maryville's all conference championship volleyball team. I will be forever grateful to him for instilling in me dedication, passion and work ethic in everything I do. I always knew I wanted to be a special education teacher but once I was introduced to American Sign Language, here at Calvary, I felt like I had found my calling to work in the deaf community. I want to thank my teacher and mentor, Mrs. Jannarone, for her wisdom and guidance to push me to be the best ASL student and Christian I can be. She is an incredible teacher and person of whom I admire tremendously. And last but not least I have to thank my teammates, my best friends Bri Costello, Haley Edwards and Gracyn Holloway and my dear boyfriend Tyler Cannon for all of the love, laughter and good times that have made my senior year absolutely unforgettable.

Thank You! I would like to thank my parents for keeping me accountable through my entire high school journey. They somehow managed to accompany me here over four years, which is not something I can really say about anyone else. I would also like to thank all the amazing Calvary teachers. Coming to Calvary from a public school, I was able to see the difference between those teachers and the teachers at Calvary. The teachers at Calvary are always willing to help with anything I needed help with, and I found that even if your problem ranged from scholarly to personal, they were always there to listen and give great advice. I also need to thank my closest friends for putting up with me for three years here. I have met the kindest people at Calvary, and I truly believe that I made relationships here that will last a lot longer than the average post-high school relationships.
