

# CALVARY SENIORS NAMED AS 2024 NATIONAL MERIT COMMENDED STUDENTS

---

In September, National Merit Scholarship Corporation (NMSC ©) announced the names of over 34,000 high performers who are named as Commended Students in the 2024 National Merit Scholarship Program. These students are being recognized for their exceptional academic promise.

Although they will not continue in the 2024 competition for National Merit Scholarship awards, Commended Students placed among the top 50,000 students who entered the 2024 competition by taking the 2022 Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT<sup>®</sup>). “Those being named Commended Students have demonstrated outstanding potential for academic success,” commented a spokesperson for NMSC. “These students represent a valuable national resource; recognizing their accomplishments, as well as the key role their schools play in their academic development, is vital to the advancement of educational excellence in our nation. We hope that this recognition will help broaden their educational opportunities and encourage them as they continue their pursuits of academic success.”
