The *Calvary Film Society* presents films for those interested in the artistic and entertaining elements of films, as well as in the messages and worldviews they portray. Each film is followed by discussion and analysis.

The club aims to create an environment that fosters an appreciation for films old and new, while at the same time addressing issues that teach students to engage our media culture critically from a Christian worldview.

Please consider that the films watched come from a wide diversity of backgrounds, styles, genres, decades, and ratings (from G to R). Although we do not screen gratuitous films, some films may contain incidental language, images, and/or treat mature issues which some might find objectionable. Parents are encouraged to use discretion in allowing students to attend any particular film. If you ever have any questions about specific films, please feel free to contact us.

By signing this form, you give your student the permission to join this club and view the films shown at Film Society meetings. The \$20 fee covers all films for the entire year and primarily pays for refreshments.

***No student may attend without a signed permission form.***

Film Society meets on select Friday evenings from 6:30-9:15 P.M. @ Café A.
