

CALVARY CHRISTIAN HIGH SCHOOL

JUNIORS EARN COVETED SPOTS AT AMERICAN LEGION BOYS & GIRLS STATE

Four exceptional juniors have been handpicked to participate in the prestigious American Legion Boys and Girls State program. This highly esteemed educational initiative offers a unique opportunity for high school students to immerse themselves in the workings of government at the local, county, and state levels.

The Boys and Girls State program is renowned for its immersive approach to civic education, where participants actively engage in the operations of government. Through a series of dynamic activities such as legislative sessions, court proceedings, and law-enforcement presentations, students gain invaluable insights into the rights, privileges, and responsibilities of citizenship.

Selected by Legion posts, these outstanding juniors from CCHS will join peers from across the nation in this experience. Thanks to the generous support of sponsoring posts, local businesses, and community organizations, these students will have the opportunity to expand their knowledge and leadership skills in a real-world setting.

Furthermore, the impact of the Boys and Girls State program extends far beyond its expansive curriculum. Past graduates of this esteemed program have gone on to achieve remarkable success in public service, with many holding positions as presidents, congressmen, governors, and legislators at the state and federal levels.

We are incredibly proud to announce that Lleyton Dayes, Owen Barrett, Anna Maria Alonso, and Giana Benjamin are among the distinguished juniors representing CCHS at this summer's Boys and Girls State session. Congratulations to these exceptional students for earning this well-deserved honor!
