

## The Teaching Expertise Institute Podcast

**Author: Nina Graham**

**Producer: Calvary Christian High School**

### Episode1: Asking More Questions

- **Focus Question:** How can I be more effective by just asking more questions during my class?
- **Answer:** Asking more questions is the simplest way to remain focused on evidence confirming that learning has occurred.
- **Take-aways:**
  - ✓ Three simple ways to ask more questions of all of your students during class.
  - ✓ Strategies that require virtually no prep yet yield incredible insight on how to help all students learn.
