

PORTRAIT OF A CALVARY WARRIOR

A Portrait of a Calvary Warrior describes the aspirational goals that CCHS has for our students and graduates. We pray that every CCHS student will embody the qualities we envision when we think of what a graduate will look like. Our goal in partnering with the home is to play a significant role in a student's personal, academic, and spiritual formation. Rooted in our core values and supported by our philosophy of education, a Calvary Warrior strives to develop the "heart, mind, soul, and strength." (Mark 12:30)
