ACADEMIC PROGRAMS & OUTCOMES

CURRICULUM

Our college-preparatory curriculum is designed to develop students who can reason, research, express ideas, and think critically in order to prepare them for collegiate rigor. Additionally, we believe an excellent education encompasses and impacts the whole person; therefore, the educational environment at CCHS enables faculty to influence both the minds and hearts of their students and to instill in them the wisdom, knowledge, and servant leadership required to be truly successful. This is accomplished as we integrate the truths of God’s Word into every subject area and teach from a Biblical worldview.

Students complete a Bible course each year of attendance. Courses which receive a letter grade are calculated into their cumulative GPA. Our bell schedule includes eight periods per day and students are advised to complete a challenging curriculum in their strength areas while balancing extracurriculars and family commitments.

GRADUATION REQUIREMENTS

CCHS offers students three diploma options to pursue (see chart). In addition to these diploma requirements, students are also expected to complete the following requirements: Take SAT, ACT, or CLT by the start of senior year • Complete 100 community service hours (pro-rated for transfers) • Apply to at least one 4-year university

CCHS GRADING SCALE

Honors and Pre-AP courses receive an additional .5 weight. Advanced Placement and Dual Credit courses receive an additional 1.0 weight.

CCHS DOES NOT PUBLISH CLASS RANK -

However, the weighted cumulative grade point average is calculated to determine Valedictorian and Salutatorian.

GPA is calculated with credits earned in grades 9-12 using semester grades for all courses in a student’s curriculum. Transcripts include both a weighted and unweighted cumulative grade point average in addition to listing the weighted grade point average for each semester (GPA trend).

ACADEMIC POLICIES

Students are admitted to AP courses based on performance in the pre-requisite course, department recommendation, and PSAT/Pre ACT scores. Students must meet the admissions requirements of the colleges in order to enroll in a dual-credit course. Students are eligible for DC courses beginning in junior year. Students are eligible for AP as early as 9th grade.

CCHS allows grade improvement for up to 4 semester courses either by retaking the course at CCHS or through Florida Virtual School. The previous grade remains but is not calculated into the cumulative grade point average.

RELEASE OF INFO TO COLLEGES

As a member of NACAC, SACAC, & NACAP, Calvary Christian makes every effort to adhere to the Statement of Principles of Good Practice. The College Counseling department advises students of their ethical obligation to report serious matters to colleges in the application phase and only to submit an enrollment deposit at one institution.

Additionally, colleges may contact the Assistant Principal of School Culture for any details on major disciplinary matters as these are not reported by the college counselors.
