

Así se dice Spanish 4H Summer Work:

This packet needs to be completed by all students entering Spanish 4 Honors. For students coming from 3 Honors at Calvary, much of this will be review. It is recommended that you watch each instructional video, take thorough notes, then complete the accompanying activity to follow using your instructional video notes.

The below reviews some grammar and vocabulary content from previous years in Spanish. This packet is designed to help you stay fresh in Spanish over the summer.

****Students will be tested during the first week of school over the content in this packet.*

In addition to this packet, I also highly recommend downloading a Spanish learning app such as DuoLingo or Memrise in the summer to continue memorizing and practicing vocabulary often.
