Final Senior Reminders & Resources

Below is a quick follow up from our final senior college counseling classroom session that was held on April 30. [CLICK HERE](#) to view the full presentation

- **FINAL HIGH SCHOOL TRANSCRIPT REQUESTS & NAVIANCE UPDATES:**

- All students should enter a final high school transcript request to their **ONE** college of enrollment to Naviance under the "Colleges I'm Applying To" list.
- All final high school transcripts will be sent to colleges by the second week of June as long as the request is in Naviance
- In rare circumstances you may need a second transcript sent to another college, if so-- you must complete the [External Transcript Request Form](#). (You can also use this form if you're transferring schools in the future.)
- All students should update their Naviance Colleges I'm Applying To list with all their college decisions and to indicate their college of enrollment. [See video instructions for help.](#)

- **DUAL CREDIT TRANSCRIPTS:**

- **CCHS does NOT send these** on your behalf, **YOU must request** the official record be sent **from BUF and/or SPC** to your college/university of enrollment.
- **It is a requirement that you send official transcripts for any and all college work you've completed to your college of enrollment.**
 - **BUF Transcript** requests use [THIS LINK](#).
 - **SPC Transcript** requests, use [THIS LINK](#)
- **Note:** *If you're enrolling for a **summer semester** or **attending an orientation event that occurs before the conclusion of your dual enrollment class**, it may be wise to request dual credit transcripts for past semesters NOW and then request them a second time at the end of this semester so colleges have as much of your transferable coursework on file as possible before you're selecting classes at the college/university.*

- **AP SCORE SENDING:**

- Is optional but if you want to send your official AP scores to colleges for possible college credit, you can do so via your College Board account. Use [THIS](#) link for instructions.
- **You can send your scores one place for FREE if you submit your request by June 20.** This report will include your past and current year's AP exam results.
- You can search your college/university website for their AP Policy and what scores are needed in order to earn college credit
