## PSAT TESTING DAY

Students in 9th, 10th and 11th grades will take the PSAT/NMSQT on **Thursday, October 16th**. The PSAT is an online standardized test administered by the College Board and cosponsored by the National Merit Scholarship Corporation that tests skills in reading, writing and math. This test is required for all CCHS students in grades 9-11.

Scores on the PSAT are used to determine course placement for Honors, AP and Dual Credit classes and are reported to the state of Florida for all students receiving a state-based scholarship. If a student receives a Step Up for Students Scholarship, a PSAT score from this school year is required in order to maintain eligibility. Students have access to a practice test in the Bluebook app on their school iPad. Free breakfast items will be available on test day beginning at 7:30 AM, and after school supervision will not be available. Unless a student has a team or group practice after dismissal, students must make necessary preparations to leave campus by **11:30 AM**.

# CCHS RAISES **OVER \$6,500**

## DURING CHILDHOOD CANCER AWARENESS MONTH

September is Childhood Cancer Awareness Month, and there was an overwhelming outpouring of encouragement at CCHS's Gold Together games. So far this year, **\$6,500** has been raised, bringing the total support for Gold Together over the years at CCHS to more than **\$45,500**. The generosity from the CCHS family is a testimony of Christ's love shining through the school's community.

The Medical Club is deeply grateful for the incredible support this year in raising funds for Gold Together with the American Cancer Society. Gold Together was founded by CCHS alumnus and childhood brain cancer survivor, Cole Eicher. Partnering with Gold Together helps to raise awareness, support families facing childhood cancer, and connect them with vital resources. At each game, cancer survivors are invited to serve as honorary captains. One mother shared the following about her son's experience:

*"We had a great experience last night. Eli said it was the best night he ever had... He loved going on the field, cheering on the football team, and passing out beads and candy. He loved getting to pie the teacher in the face!! It was so magical, and he felt like a superstar. Everyone was so kind and welcoming. We felt the love... from everyone. Thank you for the invitation and great event!!"*

CCHS is grateful for the continued love and support for this initiative and the lives it has impacted. May the Lord use these efforts to bring comfort, encouragement, and the light of Christ to families walking through the difficult journey of childhood cancer. CCHS will continue to host Gold Together games throughout the school year.

**"Carry one another's burdens; in this way you will fulfill the law of Christ." - Galatians 6:2**
