CCHS ACHIEVED EXEMPLARY ACCREDITATION THROUGH ACSI

Calvary Christian High School has achieved Exemplary Accreditation through the Association of Christian Schools International (ACSI)! After much preparation, CCHS hosted a team from ACSI for four days in November of 2025. **The ACSI Accreditation Commission met and determined that CCHS meets the requirements to earn ACSI Exemplary Accredited status, becoming the fourth high school in Florida to receive this status!** This significant achievement is a testament to the school's commitment to providing students with a Christ-honoring, academically solid education.

ACSI Exemplary Accreditation is designed for high-performing schools that seek to be held to higher standards for all programs and operations. Accreditation through ACSI allows CCHS to assess their performance in multiple foundational areas of Christian education. These areas include governance, leadership, spiritual formation, student learning, and overall school culture. This milestone is the fruit of a collective effort, showcasing the dedication and hard work of the entire CCHS family.

CCHS is proud of this achievement and is honored to be one of the few schools to have earned this status. To learn more about ACSI Accreditation, visit their website [here](#).
