

Yearbook Honors Summer Assignment 2025

Returning Students

During the Spring semester, you developed a verbal theme for this coming school year's book. Your assignment this summer is to flesh out that theme for use.

Using the Theme Packet you began in the spring, you will complete section 5.1 to develop a presentation pitching your ideas for the Title, Fonts, Color Palette, Theme elements within the book, and opening copy. Please see the instructions below.

Your presentation must be submitted by Noon, Tuesday, July 8, 2025. It should be uploaded to this Google Drive Folder: [Summer Theme Presentations](#).

Part Five: Create a Theme Presentation

Put it all together. Gather all of your ideas and create a presentation that pulls everything together. It should include everything you have created and brainstormed.

Assignment 5-1: Create a presentation to put all your ideas into one place. Expand on your designs to include more information. Presentation should be at least ten slides: one intro slide, two theme explanation slides, six design slides, one opening copy slide. Presentation must include:

- *Your name and period*
- *Title*
- *Theme and three sentence description*
- *Fonts*
- *Color Palette*
- *Six original designs: cover, front and back endsheets, two dividers and spread) If you hand draw these, take a picture and upload into your presentation.*
- *Ten sentence original opening copy*

Assignment 5-2: Record your presentation while you narrate each slide. Submit your final presentation and narrated presentation.
